

ENVIRONMENTAL POLICY

P. McHugh & Sons Ltd., are constantly promoting ways to prevent pollution and have a responsible approach to waste management control.

P. McHugh will endeavour to

- Comply with environmental legislation and government policy in the prevention of pollution and waste.
- Assess the actual and possible impact of our work on the environment.
- Provide staff training to understand and improve environmental awareness and performance.
- Ensure its sub contractors comply with this policy and meet environmental requirements.
- Review and update their policy to ensure efficient management of our environmental impacts and compliance with the environmental policy, legislation and company policy.

Signed:

Darren McHugh
