

## Quality Policy Statement

P McHugh & Sons quality policy is to achieve sustained, profitable growth by constructing and developing residential housing, commercial and industrial building and public building, which consistently satisfy the needs and expectations of its customers. Our Company carries out their works in accordance with ISO 9001, ISO 14001 and OHSAS 1800 and are currently working on becoming fully certified to these standards.

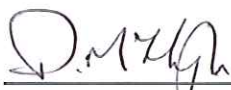

This level of quality is achieved through the adoption of a system of procedures that reflect the competence of the company to existing customers, potential customers, and independent auditing authorities.

Achievement of this policy involves all staff, who are individually responsible for the quality of their work, resulting in a continually improving working environment for all.

The key objectives of the Quality System are:

- a) To conform and comply with all building standard.
- b) To achieve and maintain a level of quality which enhances the company's reputation with customers.
- c) To ensure compliance with relevant statutory and safety requirements.
- d) To endeavour, at all times, to maximize customer satisfaction.
